Our Mission:

ASIRT's mission is to improve road safety in the U.S. and around the world.

Our Inspiration:

We honor the memories of the victims of road crashes the world over. They shatter our hearts and strengthen our resolve.

ASIRT was founded in 1995 following the death of Aron Sobel, a twenty-five year old medical student who was killed, along with twenty-two other passengers, in a bus crash in Turkey.
