Dear friends,

More than 46,000 people, including drivers, passengers, pedestrians and cyclists, died in road crashes in the U.S. in 2021—up 18% from 2019.

Road crashes are preventable! Make the streets in your neighborhood and around the world safer for friends, family and all road users who drive, walk, roll, run and cycle.

Commit to Act May 20-22, 2022, during Global Road Safety Week. It's easy! Visit asirt.org/safety for details about how **you can walk, bike, run or scooter for road safety** and how to support ASIRT's initiatives.

Donate and help ASIRT:

- advocate for safer infrastructure
- promote stronger laws and government accountability
- publish lifesaving resources for all travelers.

Together we can make a difference.

Thank you,

Rochelle
