

PARKING AT WCL

The entrance is on 4300 Nebraska Avenue. Anyone parking should drive to the end of either P1 or P2 level, take the bank of elevators marked Yuma, come up to the Terrace Level, make an immediate left and Claudio Grossman Hall is in front of you. Please be sure to pay for parking at the kiosk by the elevators in the parking garage, before heading up to the Terrace Level. If you were provided a parking code, the kiosk will prompt you to enter it along with your license plate number.

GOOD NEIGHBOR PARKING POLICY

As a reminder, American University's Good Neighbor Parking Policy remains in effect for all faculty, staff, students, contractors and visitors. Parking is prohibited on all neighborhood streets, including at parking meters, while attending class, working or visiting any university property. University-affiliated vehicles parked on neighborhood streets are subject to a \$200.00 fine. The Good Neighbor Policy was developed to comply with D.C. Zoning Commission orders. The university must comply with the requirements detailed in these orders as a condition of its Campus Plan, which authorizes the university to build important new facilities critical to our mission and strategic goals. Every member of the AU community plays a role in meeting these requirements through their personal responsibility and actions. The Good Neighbor Parking Policy is available [here](#).

IF WALKING

If walking from the Metro, or being dropped off by cab or Uber, please use the Warren Entrance off of Nebraska Ave (4300 Nebraska Ave NW). Once you enter the building turn right and walk through the commons. At the end of the Commons you will see Claudio Grossman Hall behind the elevators. There will be signage.
